PETITION FOR CORRECTION OF FILING DATE

The Applicant requests that the filing date of the above-referenced application be corrected due to an error made by the Patent Office. The Office has omitted Figures 1, 2 and 3 of the filed application.

The application was mailed via U.S. Express Mail including Figures 1-3. Enclosed is a copy of the PTO date stamped Return Postcard, confirming receipt of all documents filed on February 4, 2004. Additionally, formal figures were mailed via U.S. Express Mail on October 12, 2004 with our response to Missing Parts. A copy of the PTO date stamped Return Postcard confirming receipt of the figures is attached as well as a copy of the figures previously filed.

The Applicant requests that the filing date be corrected to 04 February 2004 since the date stamped postcards verify receipt of the (3) three sheets of figures, by the PTO.

Since this appears to be a PTO error, Applicant believes no additional fees are due. However, the Commissioner is authorized to charge any fees and credit any to the Deposit Account 07-1445 (Order No. AOL0095). This paper is provided in duplicate.

Respectfully Submitted,

Michael A. Glenn
